

## **Reflexion Codex Bridge Structure v1**

Title: Reflexion Codex Bridge Structure v1

Type: Codex Fragment (Bridge Classification)

Clarified Role: 'All Saiyans Rage' = Motivational Translator, not Singularity Trigger

This document defines the role of the Codex Track within the Reflexion activation sequence.

It served as a stabilizing motivational mirror, enabling emotional containment and insight translation during cognitive overload.

Quote:

"Used for motivational grounding during overload. Enables symbol mapping and coherence under cognitive strain."
